

Planned Community Unit Development Request Information

Summary of Application Process

1. Contact the City Clerk or Building Inspector to obtain an application packet for a Planned Community Unit Development Request or one can be obtained from the City of Marshfield Website, www.marshfieldmo.gov
2. Please contact the Building Inspector so that he/she can hear the scope of your proposal. Contact information for the Building Inspector is located at the end of this application.
3. After hearing the scope of your proposal, the Building Inspector will assist in the completion of the Supporting Documentation Checklist contained in the packet, indicating which information you will need to complete before submitting the application.
4. Once the City Building Inspector has approved all of the appropriate information, you will need to provide 15 copies of the completed packet to the City Clerk or Building Inspector for distribution to the Planning and Zoning Commission, Board of Aldermen and City Staff along with the appropriate application fee.

The owner or owners of any tract of land comprising an area of not less than four (4) acres shall submit to the Building Inspector a plan for the use and development of all such tracts of land for residential purposes a minimum of ten (10) days prior to a regular meeting of the Board of Aldermen. The Board shall refer said application to the Planning and Zoning Commission.

The required Public Hearing will be held at a Planning and Zoning Commission Meeting. The City will provide the information and documentation for the Public hearing, however the posting of the property and the cost of publishing the Public Hearing Notice, will be the responsibility of the applicant. The procedures of Chapter 430 shall be followed.

After the Public Hearing, the Planning and Zoning Commission may recommend the development as submitted, or may modify, alter, adjust or amend the plan before recommendation, or deny the plan. The Planning and Zoning Commission will submit a report to the Board of Aldermen setting forth its reasons for approval, or denial of the application and if approved, specific evidence and facts showing that the proposed community plan meets the required conditions. (See Sec.410.120 for conditions)

Planning and Zoning Commission meet the Tuesday prior to the 2nd Board of Aldermen meeting of the month at 6:00 PM

Board of Aldermen meet the 2nd Thursday and the 4th Thursday of the month at 6:30 PM

Supporting Documentation Checklist for Request

This document is to help you track your progress on the requested items by the Planning and Zoning Commission and/or Board of Aldermen. You should receive a checklist similar to this from the Building Inspector that has the required information marked in the corresponding box. Please contact the Building Inspector so that he/she can hear the scope of your proposal and send you a completed version of this checklist indicating the information you will need to provide for your project. Contact information for the City of Marshfield Building Inspector is located on the bottom of the next page.

Incomplete, inaccurate, or non-submittal of any of the above items may be grounds for rejection of the application, or denial of the request.

- A Project Site Map sheet which includes the following information (*more than one sheet may be used to include this information*):**
 - Total ownership area**
 - Accurate (to scale) map of the project area including its relationship to surrounding properties, existing topography, and key natural features**
 - Existing and workable proposed grades (contour lines at two foot contour interval minimum) and surface drainage. Supplement the contour lines with spot elevations along drainage swales where necessary. If the project is adjacent to an existing improved street, elevation of the top of curb, road, and sidewalk shall be indicated at 50 foot stations. If the street and/or sidewalk is not existing, proposed elevations shall be shown.**
 - Complete existing and proposed storm sewer, water and sanitary sewer information including pipe sizes, invert elevation of manhole, inlets, etc.**
 - Property lines, building sizes, locations and distance between both existing and proposed**
 - Location of all easements, existing or proposed**
 - Location, type and size of all existing trees, utility poles, fire hydrants and other structures, etc., both on-site and in all street terraces adjacent to the site**
 - Parking lot information:**
 - A scaled drawing plot plan of 1" = 20' or larger of all on-site surface, structure or underground parking**
 - Location of driveway approaches -- existing, proposed and adjoining rate of slope or grade or approaches and driveways**
 - Indicate number, arrangement and size of parking stalls and drive aisles**
 - Vehicular access to inner courts for emergency servicing of buildings**
 - Pedestrian walks connecting buildings, other buildings, and on-site parking areas and with public sidewalks. (Walks should be kept separate from drive aisles and driveways.)**
 - Underground electric and telephone service**
 - Building/dwelling unit information:**
 - Number of buildings per parcel**
 - Number of dwelling units per building**
 - Average square feet of lot area per dwelling unit provided**
 - Usable open space per dwelling unit provided**

Statement of Understanding

By signing below, I, _____, certify that the information contained in this application is true and accurate to the best of my knowledge, and understand that a deliberate misrepresentation of information may be grounds for denial or reversal of this application, and/or revocation of any approval already awarded based on this application.

I also authorize City of Marshfield staff permission to view and enter the subject property for the purpose of reviewing and investigating this request.

I understand that submittal of this application and payment of the proper fees does not mean that approval of a request is imminent or guaranteed.

I understand that approval of this request does not qualify as, nor replace the necessity for proper permitting for the proposed project.
