

In a Special Emergency Meeting of the Marshfield Board of Aldermen, action was taken to reaffirm the current state of civil emergency within the city limits of Marshfield. Additionally, the board approved an upgrade of the current restrictions inside the city limits of Marshfield due to the need to slow the spread of COVID-19, authorizing the Mayor to issue this “Stay At Home” order similar to the action taken earlier in the day by the Webster County Commissioners.

Executive Order 2020-03

Therefore, I, Robert Williams, Mayor of the City of Marshfield, Webster County, State of Missouri, do hereby issue the following “Stay At Home” directive to all citizens, businesses, and visitors within the city limits of Marshfield beginning at 12:01 a.m. on Friday the 27th of March 2020. Unless upgraded by a vote of the Marshfield Board of Aldermen or Executive Order by the Mayor, this Order will remain in effect until lifted by Ordinance by the Board of Aldermen.

It is our hope that in the same responsible manner that Marshfield citizens and businesses have worked together to comply with all previous action needed to encourage social distancing in order to help slow the spread of COVID-19, compliance with this action will also be achieved through self-initiative; however, the City of Marshfield will monitor compliance, and take appropriate enforcement action if needed.

Our community has shown great patience and resolve in dealing with the COVID-19 concerns. There is no way to lessen the economic impact of these necessary restrictions with words. I will simply say “Thank you” for your sacrifice on behalf of your employees and the Marshfield community.
